

# Week 1 Assignment: Requirements

## Home

The homepage should be a 'splash' screen. A splash screen shows minimal content and is meant to be a welcome screen. An expected splash screen has a fullscreen background animated GIF, static image, or video.

### Tasks:

- Fullscreen background image or video

## About

This page should give me a quick history of your band/artists. We need to know who they are (couple paragraphs of text), what they look like (image), and bullet point details. These bullet point details (your lists) could be accolades, location, similar acts, career milestones, etc.

### Tasks:

- x2 text blocks
- x2 list elements
- Image embedded into text block or list elements

## Discography

### Tasks

- x3 albums
  - Can show less if elements are hidden away in some manner using a Carousel, [click here to view carousel design examples](#).
- Each numbered track
- Track time stamp or length
- Name of album
  - Must have album cover for each album

### Note:

*If you have hidden content such as a Mobile Menu, you need to show both Active and Non Active states. In the case of the mobile menu show what it looks like closed and opened. [Click here to view hidden content examples](#).*

## Do Not Use

- Shopping carts
- Search

We will not be touching base on this type of functionality in this project

## Project Setup

You can use any medium, whatever your design workflow will work for this project

- Pen & Pencil
- Sketch
- Photoshop
- Illustrator
- [Figma](#)

If you use a digital design program, you can setup a canvas of 1,400px width by 1,000px height.

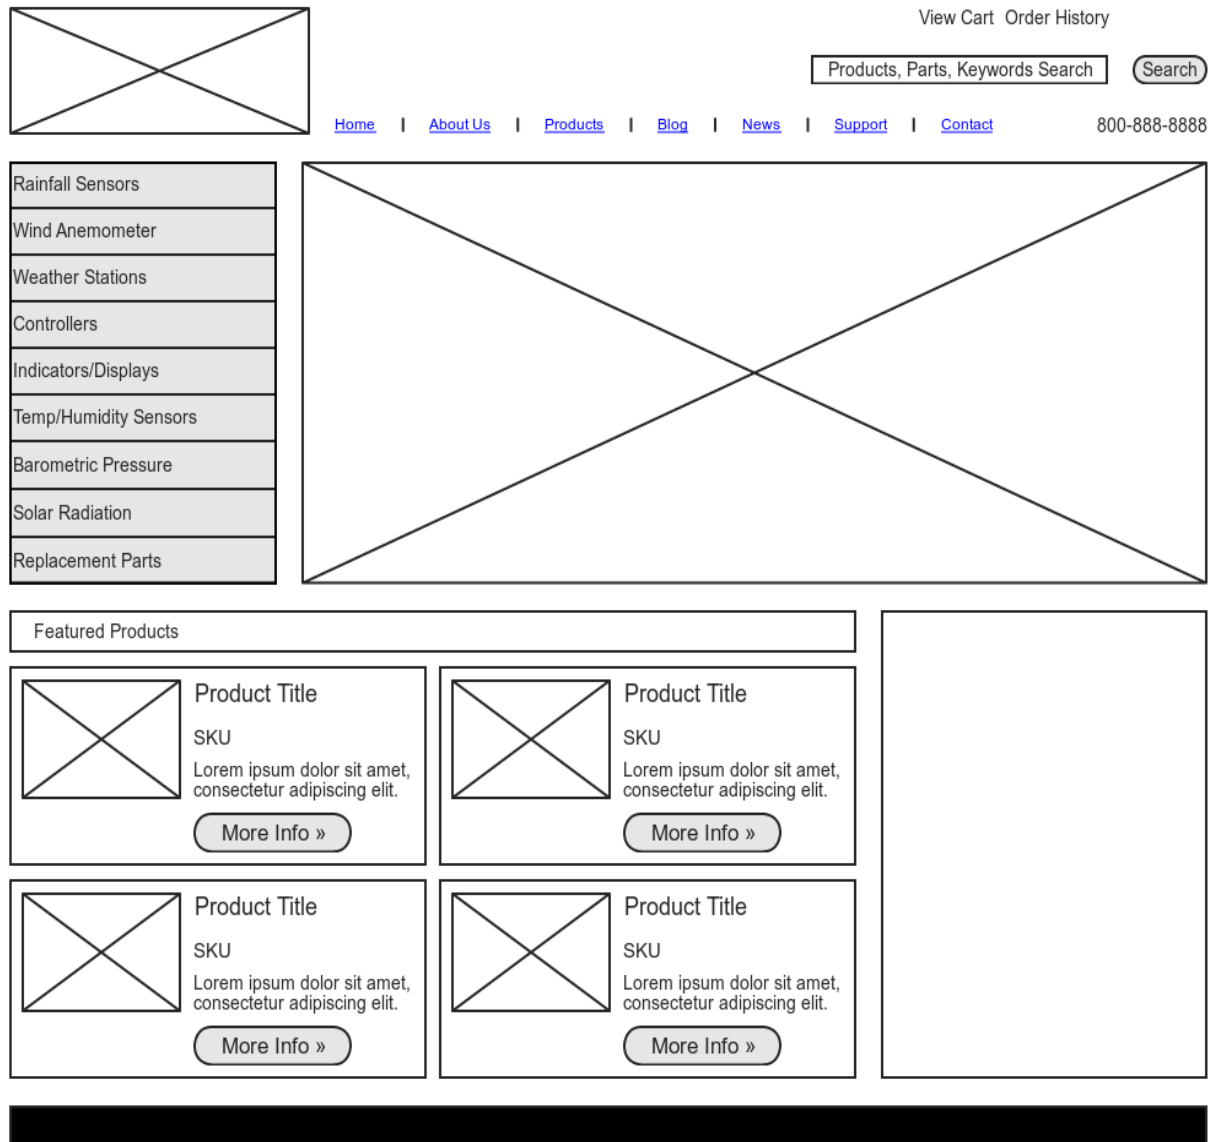

Remember as you start to layout content, your height can change and that's ok.

Click here to view [How to wireframe a website | CharliMarieTV](#)

## Submitting Homework

- Submit each page by itself
  - I will not accept all pages on a single canvas
- Name your files with the page name it represents
  - Ex. homepage.jpg, about-page.png, about.jpg, etc.
- Can use any medium
- Submit work as
  - .png
  - .jpeg/jpg
- Canvas Size (reference)
  - Width: 1400px
  - Height: 1000px, expand as needed

 Tyler Peterson

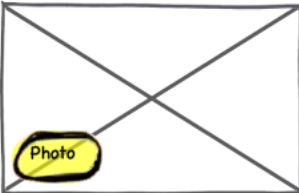

Contact Me

SCHOLAR

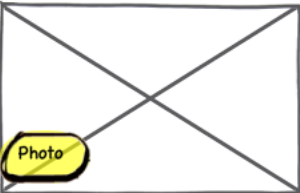

Paragraph or so about career as student: academics, extracurricular activities such as newspaper, leadership at school, youth in government, etc. Might also include notes about experiences traveling, living abroad, dj-ing, etc.

ATHLETE

Paragraph or so discussing all your experiences in all athletics: football of course, but also basketball, baseball, track, water polo. Also mention experience coaching younger football players.

RUNNING BACK

Paragraph or so discussing football specifically, different positions pre-high school, basically everything you want them to know. Also, can include as popups things like [Ventura County Star](#) and [Moorpark Acorn](#) and [LA Times](#) news articles (and whatever else is relevant).

Stats

Rushing	Car	Yds	Avg	Y/G	Long	TD
Season Totals:	76	489	6.43	44.5	41	7

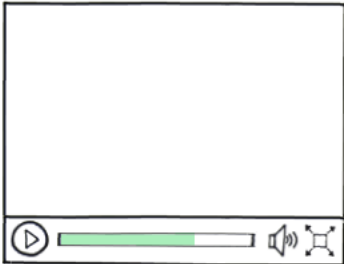

Scoring	Tot Pts	P/G	PAT	TD	Conv Pts	FG	Sft
Season Totals:	42	3.8		7			

Videos

Running Back

Kick Off

Outside Linebacker

Description of Video One here and about what happens in it. Details on the game, stats on Tyler's contributions about the game. Date and whatever else relevant about the game.

Teachers & Coaches

Quotes about Tyler from his Teachers and Coaches, perhaps each could be linked like [Mr. Smith](#) and [Coach Smith](#) to full statements.
